Scope and Content Note:
Dentistry
4 boxes

This collection includes dentists, dentifrices, tooth brushes, toothache remedies, pamphlets, news clippings, import-export documents, patents, trademarks and dental schools. This collection dates from 1731 to 1960, however, most materials are in the mid to late 19th century.

Box one, folders one thru 16 contains advertising cards for dentists and dental associations. Dental Schools are listed in folder numbered 17.

In folder number 18 are contained publications of various dental procedures and dental associations and organizations.

Folders 1 thru 11 in box number 2 are listed dentifrices and tooth brush manufacturers most of which are listed by trade names.

Folders 12 thru 19 are listed manufacturers of dental supplies targeted for use of the dentists in their practice. Tooth ache remedies are contained in folder number 20.

Box number 3 contains pamphlets, periodicals, catalogues and price lists in folders number one thru 10. Folders 1 thru 15 contains miscellaneous materials pertaining to dental and dentists.

Box 4 contains import-export documents, trademark and patents.

Note: The terms plugging and filling are used interchangeably.

Subject Terms:

Patent Medicine
Medicine
Doctors
Plugging
Breath Perfume

Grace Meyer
