Scope and Content Note:

Disinfectants

1 Box

This material consists primarily of scattered correspondence on letterhead stationery, bills/receipts, advertising cards, printed advertisements and pamphlets from manufacturers and distributors of disinfectants and disinfecting appliances mainly for household use. The material dates from 1852-1933, but the bulk is late nineteenth century.

Materials are organized by name of company. There are three folders of material arranged by type: related pamphlets, related publications, and miscellaneous items.

Subject Terms:
Sanitation          Germicides
