LAWN AND GARDEN FURNITURE, ca. 1874-1917
(Oversize)

Scope and Content Note

Materials relate to the production and sales of garden furniture in the United States and originate from the manufacturers of hammocks, lawn chairs, and outfits. The oversize items are comprised of printed advertisements and brochures. Images are of products primarily; women are often shown lounging on the various products. The material dates from late nineteenth to early twentieth century and has been arranged alphabetically by company.
