ROY SOLTOFF COLLECTION, 1978-1984
(0.1 cubic feet; 1 DB)

History

This collection is primarily the product of 4 interviews in 1983 with Roy Soltoff, a noted microcomputer programmer and systems analyst. The interviews were conducted and taped by Jon B. Eklund, Division of Physical Sciences, NMAH.

Scope and Content

The collection includes four 90-minute audio tapes of interviews with Mr. Soltoff covering biographical information, education, work experience and professional career. Also included are: The interviewer's handwritten notes summarizing the interviews; and copies "Notes from Misosys", a publication on computer software edited by Mr. Soltoff.

Provenance

This collection was transformed to the Archives Center October 10, 1987 from the Division of Physical Sciences.

Don Darroch 11/13/1987
